
Donations

R.E.A.C.H. accepts donations of all kinds from financial to food items to appropriate clothing, shoes etc. Also various skills including construction, sewing, carpentry is of occasional need.

If you can think of a way to donate we will think of a way to make use of your kindness in assisting the older persons of Dominica!

House Repair Fund

Many of the older persons we serve live in unacceptable conditions. These conditions make them vulnerable for robbery, assault, and danger in the event of a flood or hurricane. R.E.A.C.H. is willing to accept materials for house repairs, skilled volunteers who are willing to provide free labour, or financial assistance in order to purchase necessary supplies and labour.

How YOU Can Get Involved

Each one of us can make a big difference in the life of an elderly person. There is something for everyone, so don't hesitate to get involved!

R.E.A.C.H offers the chance to become a member of our organization and joining us in our mission of seeking to relieve some of the intense suffering of the aged and housebound community. Individuals and organizations can pay an annual fee and become members of R.E.A.C.H. In return for your membership fee R.E.A.C.H will send you periodic updates on the work we are doing and how your contributions are being put to use. Contact us for an application form on membership and volunteer opportunities and join the R.E.A.C.H family.
